Memo for Orders.

Subject.

Proposal to transfer to the management of the Muzrai Superintendent, the Government Anna Chattram at Bangalore now being managed by the City-Municipality.

This Institution was originally in the charge of the Amildar of Bangalore, but under Govt: Pro: Dated 26th May 1883 the management was transferred to City Municipality. The Institution is now being maintained from the grants made both from Muzrai and Municipal funds. Lately a few complaints were received in this office against the present management of the Chattram which were referred to the Dy Commr: for disposal.

2 Now the Municipality have resolved to transfer the Institution to the management of the Muzrai Department with

an annual grant of Rs 764/- which, they, the Municipality, are bound to contribute, the payment of the same being a part of the arrangement when they were relieved of the Town Police cost.

3 I think it would be better if the Muvvai Department is allowed to take over the charge of this Institution as all the other Chattrams in the Province are under their management.

4 As this reference relates both to the Muvvai and the Municipal Branches, I have prepared a draft order and submit it herewith for approval — This order will be issued either in the Muvvai or Local Board Branch as may be directed —

Order thereon No.

It is observed that in their Proceedings read above, Government relieved the Bangalore City Municipality of the cost of the Town Police Force and transferred to their management instead local medical and other charitable institutions including the Government Anna Chattram at Bangalore City. This institution remained in the manage-ment of the Board ever since, but they now propose to transfer

it to the Muzrai Superintendent with an annual contribution from Municipal funds of Rs 764/- being the net amount of annual expenditure incurred by the Municipality from the date of its transfer.

2. Government observe that no reason has been assigned for the present proposal. Probably the Board are of opinion that the Anna Chattram which is a Muzrai institution could be better looked after by the Muzrai Dept which is now control of a Special recently appointed Government.

3. Government accordingly sanction the
